**5. FINANCIAL REPORT AND APPROVAL OF ACCOUNTS**

Mr Martin presented the Accounts, Financial Statements and Report (**attached**).

The Budget for the 2017/2018 Season was not presented but will be presented along with the Minutes of this meeting as required by SRC and ZOC (**attached**).

Mr Martin advised that the Budget will be based on actual from the 2016/2017 season with particular focus on obtaining additional Pool advertising and sponsorship.

Mr Martin thanked his predecessor Mr Shaun Lawler for his guidance and assistance during the season, and extended thanks to our season, Troutbeck and Pool sponsors and donors, namely Introwise, Ilala Lodge, Homestyle Bricks, Coca-Cola Bonaqua, Schweppes, Hyundai, Bokomo Weetbix, Bon Marche, DHL, Dendairy, KW Blasting, Safeguard Security, Husquavarna, Crystal Spa, Lewisam Motors and HRIB for their continued and generous support.

Participant numbers have increased significantly this season due in the main to the introduction of Aquathlon. We are confident that this new and exciting addition to our calendar of events will grow from strength to strength in the years to come.

Troutbeck proved to be one of the most well organised events and certainly one to be proud of. Unfortunately the event failed to attract significant local entries due to clashes with other events taking place at the same time, however with forward planning this event will be staged over the half term weekend in February 2018 and will include Harare Athletics Club who host their annual Worlds View Run.

Mr Fulton confirmed that Chemicals for Mount Pleasant Pool are the biggest cost and reiterated the fact that if we have no chemicals we have no venue for our local events. He advised that during the 3<sup>rd</sup> Term, an agreement was in place with Schools who use Mount Pleasant Pool to pay City of Harare – these funds should have been shared with us to be re-invested in the cost of chemicals for the pool upkeep – this did not happen in the 2016.. For this coming season we propose to approach all the schools involved and request them to make payment directly to the chemical company and submit copies of invoices and receipts for transparency purposes.

All funding received through pool sponsorship goes towards the costs of chemicals and the upkeep of the pool at Mount Pleasant. Chlorine gas, HTH and Soda Ash have to be used and thanks were extended to Mr Colin Weston who oversees the maintenance and upkeep of the pool.

Proposed Mr Shelton Seconded Mr Soper

#### **15. ANY OTHER BUSINESS**

##### **15.1 - MOTION 1 – TOUR MANAGEMENT/EXPENSES TO PARENTS OF ATHLETES–MRS TAMMY PETERSEN**

- I strongly request the consideration and support from the members of Triathlon Zimbabwe for the association to carry the all-inclusive expenses of the National Coach for Triathlon Tours, or at least 50% of these expenses. The National Coach is obligated to attend to additional Zimbabwe Triathlon business while attending the various tours with the athletes and it's an unjustified expense to the parents of athletes, this is further cemented by the fact that the athletes up until the time of tour have very little to no interaction with the National Coach

##### **15.2 - MOTION 2 – TOUR MANAGEMENT COSTS AND EXPENSES – MRS TAMMY PETERSON**

- Firstly, I appreciate the time and effort the tour committee puts into organizing and arranging the tour opportunities for our athletes. However I have serious reservations about the way in which the tours are financially managed from a budgeting and expense point of view.
- Money received is not receipted, neither is it channeled through an official account.
- The expense reports generated are not transparently produced, for the tours of 2016/17 all that was received is a brief summary of expenses that are generated according to the Tour Manager with no supporting documentation, and an 'average' refund, if any.
- Flights and accommodation options are left too late, and often at elevated expenses to the parents/athlete or flights have unnecessarily long lay-overs and routings.

##### **15.3 - MOTION 3 – TOUR POLICY – MRS TAMMY PETERSEN**

- The existing tour policy is not available on the website for general viewing, and I had to request it from the secretary. Main areas of focus surround the conduct of the athlete and involvement by parents / external coaches. It does not serve to formalize the inclusion of expenses, payments of such expenses associated to the Tour Policy in line with the ethos and objectives of the Triathlon Zimbabwe Association. I would like to request that this be reviewed in line with the athletes' best interests in terms of affordability and transparency.

#### **RESPONSES –**

- Mr Christo Jacobs asked if these motions will go forward to the incoming Tour Committee as action needs to be taken and machinery put in place to resolve these issues
- Similar issues have occurred in the past and what is being done or going to be done about it
- Mrs Tracey Jacobs advised that 2016-2017 reports have not been presented or submitted and has requested a full breakdown to this effect

- Mrs Leanne Williams advised that in the past and under previous Tour Managers, full breakdowns were always given and were transparent and meticulous – we need to revert back to that system
- Mr Martin advised that he will request this information from Mrs Tammy Benade as a matter of urgency and will revert with relevant report as soon as possible
- Mr Fulton and Mr Martin confirmed that with immediate effect the incoming Tour Committee will be required to meet with the Executive Board, the Tour Manager will be required to report to the EB and going forward, full reports and complete packages of Financials for Tours during the new season are to be submitted timeously.
- Mr Fulton advised that the existing Tour Policy should be extended to include Financial Statements which are to be submitted to the Treasurer for inclusion in Audit reports

Proposed Mrs Tammy Petersen Seconded Mrs Tracey Jacobs

#### **15.4 - MOTION 4 – SELECTION CRITERIA – MR ANDY HOLDERNESS**

- That the current Selection Criteria be amended as per the suggested supporting documentation to a time based criteria.

#### **RESPONSES –**

- Mr Drew Williams queried why the Selection Criteria was taken off a Time Based criteria
- Mr Fulton advised that the incoming Selection Committee have a mandate to prepare the Criteria for Selection for SA Champs and Africa Champs and revert with same in due course
- Mr Fulton advised that all races are different and no 2 courses are the same. The ITU use a points based criteria system and Triathlon Zimbabwe decided to follow this system
- In past experiences it was found that athletes who had fantastic times in November often had blown out by March and by having a points system, an athlete can maintain their standards
- Time based and points based criteria both have pros and cons and does need to be looked into

Proposed Mr Shelton Seconded Mr Soper

#### **15.5 - MOTION 5 - CONSTITUTIONAL AMENDMENT 2017-18 – MR RICK FULTON**

- That the post of Secretary is replaced by a Secretary-General and that this post on the Executive Board is non-voting and appointed to, via an application process, and by, the EB.
- A remuneration package for the Secretary-General be considered and budgeted for.
- The post of Secretary is replaced in the EB by an elected Board Member to maintain an EB consisting of 4 elected members by the General Assembly.

#### **RESPONSES –**

- Mr Paul Denslow congratulated Mr Fulton on proposing this motion and requested this be actioned immediately and to be in place by the start of the 2017-2018 season in September
- Mrs Tammy Petersen requested that an Extra-Ordinary Meeting be called to go forward with this motion
- Mr Shaun Shelton proposed the election of a 4<sup>th</sup> Executive Board Member
- Mr Fulton advised that the Constitution will be amended and forwarded to the SRC for approval

- Mr Fulton advised that there is a 21 day notice period time frame in which to call an Extra-Ordinary Meeting
- Mr Fulton advised that a Notice to this effect will be published to coincide with the start of the new season.

Proposed Mr Paul Denslow Seconded Mr Christo Jacobs
